

Essential Oil and Herb Class at 264 main street Richmondville NY

Sunday January 28th 12-4

Name

Mailing Address

Email Address

Phone Number (home and cell)

Specific topics/health concerns/ or others things you would like me to address during class (I will try to incorporate them but can't make promises). Specific things you would like to learn.

Any allergies:

This will be casual, informative and also hands on, so please don't wear really nice clothing. I live next door to the white Methodist Church and across the street is the Lutheran church. I have 2 dogs so when you come to the house just ignore them, please use the side door. They will be on the porch (so not in the house) during class. There is some parking in the driveway probably about 5 cars can fit in (so pull in tightly), or you can park directly across the street at the Lutheran church as long as there aren't a bunch of other cars in the parking lot (not sure on a Sunday how it will be). You can also turn left at the light just before the post office (a left hand turn) and take a right hand turn directly behind the post office. There is lots of parking back there just make sure you lock your car up, then you can walk towards the white church and come down there driveway. Our house is blue with a front porch; there is a sign out front that says Earthly Remedies by Erin. Please show up on time.

Please return this form and your deposit of \$30 to hold your spot. The remaining \$30 will be due the day of class. (There is a 12 person limit so I recommend getting payment in early to hold your spot). Deposits are non-refundable. Payments may be used towards another class or product if you need to cancel.

Payments in the form of a check and forms can be mailed to:

Erin Ethier

Earthly Remedies by Erin

PO Box 546

Richmondville NY 12149

If you have any questions please call or email. Thanks so much and I am looking forward to class and seeing old faces and meeting new faces ☺
